

JIM LEMON

JAMES D. LEMON, P.E., R.L.S.

A BRIEF HISTORY OF TIME

- Graduated from ASU with BSE in May of 1976
- Worked at a number of firms from 1976 to 1992 including Lyon Engineering, Toups, CVL, and Espy Houston.
- Founded and was principal owner of Landmark Engineering in 1992. Grew the company to over 100 employees and 3 offices offering a full spectrum of civil engineering, survey and land planning services.
- Sold Landmark to V3 Companies in 2006 and remained on as Phoenix Office Manager until October 2007.
- Founded Integra Consulting in 2007 and continue to serve as President and principal.
- Office Manager and Vice President of Engineering and Environmental Consultants from 2013 to 2015.

The engineering profession has been very good to me. Further the vast majority of my personal relationships have come from time spent with the good people who make up our industry.
