Phoenix, AZ 85032

Dear Mr. Banta:

"Spaced out."

It's what Colby's mom noticed her son looked like right before he suffered a seizure at the dinner table. After a frustrating experience at a nearby emergency room, Colby's parents transferred their 3-year-old son to Phoenix Children's Hospital. Here, a renowned pediatric epilepsy specialist made an accurate diagnosis. And Colby's parents were offered hope for his future, with a calming touch.

Today, this active 6-year-old is a champion who continues his journey of healing with us. Your gift of \$500.00 in honor of Adam Foke to the 2017 Arizona Sports and KTAR Give-A-Thon for Phoenix Children's makes you a Champion of Hope to kids like him. Thank you for your generosity!

Donations made during the annual Give-A-Thon benefit the Hospital's Hope Fund. These unrestricted gifts ensure we can be there for every child that needs help. The fund also helps us deliver family-centered care with kid-friendly touches, such as Animal-Assisted Therapy, Child Life services and fun and games at the hospital's hot spot – the Kid Zone. Finally, the Hope Fund helps us attract top-notch physicians and embrace discovery and innovation.

During Give-A-Thon, we hope you heard inspiring stories from so many patients and families whose resilience and strength encourage us. As they work with care teams and volunteers, we see our mission of hope and healing in action. Your gift is truly appreciated! To keep up with our latest news, events and inspiring patient stories please stop by our Facebook page!

Sincerely,

A handwritten signature in black ink that reads 'Steven Schnall'.

Dear Foke Family:

Phoenix Children's Hospital gratefully acknowledges a contribution made in Adam Foke's honor from the following:

Mr. Michael Banta
United Surveyors of Arizona

Phoenix, AZ 85032

Philanthropy matters. This year more than 150,000 children will be living proof of that.

More than 2,500 of them will be brought to our Trauma Center, many with life-threatening injuries. Some patients will need ongoing treatment for chronic diseases, while more than 300 of them will learn they have cancer. More than 16,500 will need surgery, and another 85,000 will come through the doors of our Emergency Department. Some patients will need a life-saving transplant. Every patient has a different story. What they all have in common is that they get world-class care at Phoenix Children's, and our donors help make that possible. Please know that many ill and injured children will benefit in life-changing ways from this gracious gift.

Sincerely,

A handwritten signature in black ink that reads 'Steven Schnall'.
