Dear Kent,

On behalf of The Salvation Army, we would like to thank you for your contribution and support of the 2017 Corporate Christmas Angel and Forgotten Angel programs. Through the kindness and generosity of such caring individuals like yourselves and the people you work with, we have successfully made a positive impact for so many struggling families in the valley this past Christmas season.

This season we had 127 corporate sponsors signed up. Over 7,761 Christmas Angel tags were distributed and more than 210 collection boxes were given to collect toys across the valley. We collected over 150,000 toys for over 50,000 children in the Phoenix area.

Once again, thank you for all of your support to help make these programs successful and for your continued dedication to help us serve others. We are so thankful to work together with you to help make a difference for those in need.

Sincerely,

Major Nancy Dible
