Job Description

Wilson & Company, Inc., Engineers & Architects, a national multi-disciplined surveying and engineering firm, is looking for a full-time Survey Field Crew Chief to lead a Field Crew in collecting information from the field and preparing it for the CADD Operators in our Phoenix, AZ office. The ideal candidate must be willing to frequently travel if needed, perform each essential duty of the position, and have great communication and mathematical skills.

Required Skills & Education:

- 4+ years of Surveying experience
- High School Diploma or GED equivalent
- Experience in operation of survey equipment (GPS, Total Station, Data Collector, Level, etc.)
- Ability and willingness to work outside in different weather conditions year-round
- Possess a non-restrictive drivers license
- Experience with Trimble Surveying Instrumentation and software preferred
- Experience with CADD software (Civil 3D, Microstation) preferred

Please note that Wilson & Company is not currently sponsoring applicants for work visas.
