

**Senior Land Surveyor
Stanley Consultants
Phoenix, AZ
Job ID# SENIO03158**

Stanley Consultants is seeking a Senior Land Surveyor for our Phoenix office. This senior level position requires knowledge and experience in Survey Management, Survey Project Management, and Survey Mapping. The ideal candidate will have experience with GPS measurements, post processing and analysis, Civil 3D and/or MicroStation/Inroads. Should also have a background in ADOT Right-of-Way Plans, Results of Survey, and Legal Description preparation utilizing MicroStation and Inroads. Requires the ability to estimate project costs, develop scope of services, and prepare proposals for new pursuits. The successful candidate will possess strong communication skills and will be able to market and win work. Should be adept at maintaining a client base and establishing new client relationships. An emphasis will also be placed on developing relationships with the engineering staff in support of engineering design surveys and building a strong team approach.

Essential duties include:

- Ensures accuracy of all field work completed, including maps, plats, and legal descriptions.
- Operates field equipment including but not limited to GPS units, electronic total stations, digital levels, and data collection equipment.
- Operates computer drafting software including AutoCAD, MicroStation, and calculating software.
- Requires the use of office software such as Microsoft Office, Excel, and Word.
- Maintains project files both electronically and hard copy.
- Must have ability to transmit field data including notes to office personnel for use in preparing professional work documents.
- Works independently in assigning work tasks to instrument persons and crew chiefs.
- May be asked to sign and seal professional work documents including field work results.
- Expected to represent department at project meetings as needed.
- Establish and maintain a client base and pursue new opportunities.

Background requirements include:

- Possess a minimum of a high school/GED diploma OR college degree OR any education which enables a candidate to obtain professional registration as a Land Surveyor
- Must be an Arizona Registered Land Surveyor (RLS)
- Must have a minimum of 10 years of relevant survey experience
- Requires a valid driver's license with an acceptable driving record

We offer great benefits - medical, dental, 401K, generous time off, and a competitive salary. Interested? Apply online using this link: [click here](#). Contact David Harris, Sr. Recruiter at 602.333.2227 or email harrisdavid@stanleygroup.com for more information.
